

For businesses with leased locations

Harbor: the lease expires December 31, 2028.

Brightpath Dental · Harbor office · lease §3

Confirmed · expiration

Lease §3 states the date, and the register shows the two together — the date and the clause it comes from — so whoever plans the year can check it in one look.

Clause	lease §3
Date	December 31, 2028
Confirmed by	the lease manager, against the clause

Source extract

Harbor lease §3 · term expiration

The term of this lease expires on December 31, 2028.

Your next step

Plan the renewal conversation from this date. If the lease has an option, it appears as its own entry with its own window.

What this does not tell you

An expiration date alone doesn't create a renewal right or a notice deadline.

About ObligationFolio

Builds a register of the dates in your leases and amendments, each with the clause it comes from, for you to confirm before reminders start. **\$149 per month**. See pricing at obligationfolio.com/access/.
