Lakeside lease §18 · option notice instructions

The option notice must be received between July 1, 2028 and September 30, 2028, inclusive. Send it by certified mail to the Lease Administrator at the notice address in this lease.

Your next step

Read the full clause and decide in the spring of 2028 whether to extend; the reminder arrives before the window opens.

What this does not tell you

The register holds the window and the instructions. It doesn't send the notice, and it doesn't say whether extending is right for the practice.
